

§ 563f.8

§ 563f.8 Enforcement.

Except as provided in this section, the OTS administers and enforces the Interlocks Act with respect to savings associations, savings and loan holding companies, and affiliates of either, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part. If an affiliate of a savings association or savings and loan holding company is subject to the primary regulation of another Federal depository organization supervisory agency, then the OTS does not administer and enforce the Interlocks Act with respect to that affiliate.

§ 563f.9 Interlocking relationships permitted pursuant to Federal Deposit Insurance Act.

A management official or prospective management official of a depository organization may enter into an otherwise prohibited interlocking relationship with another depository organization for a period of up to 10 years if such relationship is approved by the Federal Deposit Insurance Corporation pursuant to section 13(k)(1)(A)(v) of the Federal Deposit Insurance Act, as amended (12 U.S.C. 1823(k)(1)(A)(v)).

However if the last date on which a document can be accepted falls on a Saturday, Sunday, or holiday, such document may be filed on the next business day.

(7) *Issuer* means a savings association which issues or proposes to issue any security.

(8) *Offer, Sale or sell.* For purposes of this part, the term *offer, offer to sell, or offer for sale* shall include every attempt or offer to dispose of, or solicitation of an offer to buy, a security or interest in a security, for value. However, these terms shall not include preliminary negotiations or agreements between an issuer and any underwriter or among underwriters who are or are to be in privity of contract with the issuer. *Sale and sell* includes every contract to sell or otherwise dispose of a security or interest in a security for value. Every offer or sale of a warrant or right to purchase or subscribe to another security of the same or another issuer, as well as every sale or offer of a security which gives the holder a present or future right or privilege to convert the security into another security of the same or another issuer, includes an offer and sale of the other security only at the time of the offer or sale of the warrant or right or convertible security; but neither the exercise of the right to purchase or subscribe or to convert nor the issuance of securities pursuant thereto is an offer or sale.

(9) *Person* means the same as in § 563b.25 of this chapter, and includes a savings association.

sharing agreement, collateral-trust certificate, preorganization or subscription, transferable share, investment contract, voting trust certificate or, in general, any interest or instrument commonly known as a *security*, or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase any of the foregoing, except that a *security* shall not include an account insured, in whole or in part, by the Federal Deposit Insurance Corporation.

(14) *Underwriter* means any person who has purchased from an issuer with a view to, or offers or sells for an issuer in connection with, the distribution of any security, or participates or has a participation in the direct or indirect underwriting of any such undertaking; but such term shall not include a person whose interest is limited to a commission from an underwriter or dealer not in excess of the usual and customary distributors' or sellers' commission and such term shall also not include any person who has continually held the securities being transferred for a period of two (2) consecutive years provided that the securities sold in any one (1) transaction shall be less than ten percent (10%) of the issued and outstanding securities of the same class. An agreement entered into in connection with any such purchase to remain in the employment of, or not to compete with, the issuer or affiliate or the rendering of services pursuant to such agreement shall not be deemed to be the payment of further consideration for such securities.

(iv) *Pledged securities.* Securities which are *bona fide* pledged by any person other than the issuer when sold by the pledgee, or by a purchaser, after a default in the obligation secured by the pledge, shall be deemed to have been acquired when they were acquired by the pledgor, except that if the securities were pledged without recourse they shall be deemed to have been acquired by the pledgee at the time of the pledge or by the purchaser at the time of purchase.
